## Luxurious living in the gulf of Saint-Tropez

The town of Grimaud lies just 12 km away from the famous town of Saint-Tropez, and is situated in one of the most beautiful and prized areas of the French Riviera.

Located in its own private green park near Grimaud's harbour, Les Jardins d'Adelaide is truly a hidden gem. Nestled between the sea and a hill, this residential estate offers views over the bay for some of the available apartments, and is only 800 meters away from the beach.

The 26 villas and 20 private apartments have been harmoniously designed within a green environment to provide a calm and secure atmosphere. The designs have been optimised to offer high-energy performance throughout the year. Apartments either have spacious terraces or private gardens, while each villa enjoy access to its private swimming pool.
