

# LES DEUX ÉCLUSES

## SENEFFE, BELGIUM

"Our core belief is that real estate contributes to the wellbeing of people. This unique development perfectly combines the quiet life and nature with the immediate proximity of an urban centre and all the necessary facilities (shops, public transport, schools ...). A wellness story."

## A haven in the countryside

Les Deux Écluses is a residential project that offers a superior quality of life in a natural and peaceful environment. Situated, as it is next to the old canal at Seneffe, near Nivelles, this development offers both country living and easy accessibility.

The project (phase 1) includes 85 residential units in total. All are comfortable, spacious, and flooded with natural light. And many offer a stunning view of the canal. Close to public transport and within walking distance of local shops, this charming community is both rural and urban ...
