Almost three weeks before the official opening, this first shopping center in Chetm has already completed all construction and interior works. Aesthetic finishing touches are made in the fully equipped facility to provide great impressions and experience to all visitors from day one. At the same time, Galeria can boast 100% commercialization, thus confirming the high attractiveness among tenants and great attention to the offer best suited to the expectations of customers from Chetm and the region.

- We are full of happiness and pride that we are ready to welcome the first customers of Galeria Chetm. We want to share this happiness with all visitors of our facility in Chetm from the first day of opening, providing clients with a comprehensive offer and a truly joyful place on the map of Chetm. – says Monika Woźniak-Zawiota, CEO of Equilis in Poland.

After a successful development process, Galeria Chetm has already obtained a formal occupancy permit, which is the culmination of the project. The days before the opening are filled with the last preparations and ensuring the top-notch readiness for the smallest details. Investors pay high attention to Galeria Chetm being a great place in every respect, from the first day of opening and from the first customer!

- We are preparing for the opening of Galeria Chetm with great satisfaction and excitement. After completion of commercialization, we make every effort to ensure that every last detail - technical, organizational and aesthetic - is fine-tuned and ready to welcome our customers and guests. The enthusiasm and anticipation encountered by our Chetm project fills us with satisfaction also because, despite the saturation of the shopping center market, we are very effective in developing such projects. – explains Tomasz Szewczyk, Managing Partner Acteeum Central Europe.

Galeria Chetm warmly invites to the grand opening, which will take place on Thursday, March 26, when the first customers will be able to enjoy the wide shopping, restaurant and entertainment offer - as well as the many attractions and surprises that Galeria has prepared for this day!
